# Puzzles and games for curious kids

How do you pass the time on rainy days? How do you satisfy the curiosity of little puzzle lovers? We've created three puzzles and included a special tip for inquisitive kids.

# Alpaca hunt

This picture is full of alpacas. Every alpaca has a twin – except for one.

Can you find out which alpaca only appears once?

# Find the right path!

The koala and the sloth want to take a nap together – but how can the koala find its way to the sloth?

# Count the butterflies!

Solution:
